

## 40- & 90-Capacity Slide Holders

Perfect for drying slides

Hold standard slides (3 x 1" or 25 x 75mm) during evacuation and cleaning. Constructed of strong, chemical-resistant polyethylene. Either the 40- or 90-capacity holder provides a nice solution for drying excess fluids off of slides. The 40-capacity holder measures 11.75 x 4.13 x 1" 90-capacity holder is 11.75 x 7 x 0.75".

<b>HS15981B</b>	90-Slide Version	Each

## Plastic 5 Slide Mailers

Two styles to choose from

Ideal for shipping, storing, or staining slides. These polypropylene containers hold five standard (3 x 1" x 75 x 25mm) slides. Inside wall features slotted channels to keep slides separated and to make removal easier. Both the end-opening and side-opening versions close securely to keep slides safe. Comes in packs of 25. The side-opening mailer measures 81 x 19 x 31mm.

<b>HS15982</b>	Side-Opening Mailer	Pack of 25
<b>HS15986</b>	End-Opening Mailer	Pckg. of 25

## 2-Place Slide Mailer

Great for color coding

These two-place slide protectors hold standard (3 x 1" or 75 x 25mm) slides securely. With large, easy-to-secure snaps our mailers provide safe storage for valuable slides. Bright neon colors bring some fun to the lab and come in handy for color coding. Available in natural, red, yellow, or assorted colors (pack of 25). Measure 93 x 68 x 5mm.

## Microscope Slide Dispenser

Holds up to 91 slides

Our unique design makes it easy to load slides. Standard (3 x 1" or 25 x 75mm) slides fit effortlessly into the front of our dispenser. Turning either side wheel dispenses slides out one at a time.

Cat No.	Description	Units
<b>HS15984</b>	Microscope Slide Dispenser	Each

## High-Quality Microscope Slides

Plain & Frosted

We have both plain and single-side frosted microscope slides. Our German Glass slides have smooth rectangular edges, which are ground and polished in a water-cooled process. Each 75 x 25mm slide is cut in the standard 1mm thickness. The slides are packaged in boxes of 72, and sell by the gross (144 slides).

Cat No.	Description	Units
<b>HS15985A</b>	Plain Slides Gross	Gross of 144
<b>HS15985B</b>	Frosted Slides Gross	Gross of 144

## Premium Cover Glasses

Rectangular & Circular

We offer both a rectangular and a circular cover glass. Made from German borosilicate glass slides do not stick together and can be used with automatic coverslippers. Each has #1 glass thickness and is packed in 1-ounce boxes. The rectangular shapes measure 24 x 50mm. The circles have a 12mm diameter.

<b>HS15989</b>	Red, 5-Place staining jar	Each

## 12-Slide Holder

Ideal for slide preparation

White polystyrene holder keeps standard (3 x 1" or 75 x 25mm) slides separated. Perfect for slide preparation or staining. Measures 169 x 83 x 18mm.

Cat No.	Description	Units
<b>HS15988</b>	12-Slide Holder	Pack of 6

## 25-Place Microscope Slide Boxes©

Perfect for storage or transport

These heavy-duty, two-piece microscope slide boxes store up to 25 standard slides (3 x 1" or 75 x 25mm). Available with either cork or foam lining. The boxes stack securely on top of each other, and are available in blue, green, red, yellow or white. Measures 5.5 x 3.5 x 1.24".

## Economy Microscope Slide Boxes©

Unbeatable price on a laboratory essential

Constructed of durable polypropylene, slide boxes hold either 25 or 100 standard (3 x 1" or 75 x 25mm) slides. Hinged lids are held securely closed by latch lock. Stacking feet maximize stability when boxes are placed on top of one another. Economy boxes are unlined. The 25-place boxes measure 5.5 x 3.5 x 1.38"; 100-place boxes measure 8.25 x 6.5 x 1.38".

		Each
<b>HS9930</b>	30-Place Cardboard Slide Tray	Case of 40
		Each

## Disposable Slide Mailers

1 or 2-place mailers

Heavy cardboard holders with thumb grooves make the removal of slides easy. We offer 1-slide and 2-slide versions. Each will hold standard (3 x 1", or 75 x 25mm) slides. The one-place mailer measures 95 x 40 x 5mm. The two-place version is 103 x 79 x 5mm.

Cat No.	Description	Units
<b>HS9903</b>	1-Place Cardboard Slide Mailer pk/25	Case of 525 Pckg. of 25
<b>HS9904</b>	2-Place Cardboard Slide Mailer pk/36	Case of 432 Pckg. of 36

## Storage Racks for Microscope Slide Boxes

Create a file system for your slide boxes

Storage racks make organization of your samples easy. The clear acrylic construction allows you to see the labels on the slide boxes. Place boxes in rows or columns by color to create an easy coding system. Each rack holds up to 15 slide boxes.

Cat No.	Description	Units
<b>HS159890B</b>	50- and 100-Place Boxes	Each

## Tungsten-Point Lab Pen

Permanently mark glass slides, test tubes, and labware

The sharp, tungsten carbide tip easily etches glass, ceramic, and plastic. Retractable tip allows safe storage. Measures 3/8" dia x 5 1/2"L.
