## Tubby™ & Tubby Jr.™

Storage Tubs, Lids and Dividers

Both versions of our handy Tubby™ stackable storage bins will help you organize your laboratory. The original Tubby™ bin has a rectangular shape that measures 330 x 200 x 110mm. Each pack comes with 5 tubs, 5 lids and 15 dividers. The lid snaps easily in place to secure the contents of the Tubby. With the removable dividers you can create as big, or as small a compartment as needed. Perfect for keeping tubes, tips, pipettes, gloves, etc. right where you need them. All components are constructed of high-impact polypropylene.
