## Defender 3000 Series

## Defender3000 Bench Scales

**Defender 3000 Series Bench Scales are easy to use.**

Reliable and affordable scales that are ideal for general weighing and simple counting applications in production, packaging, and shipping and receiving areas.

There are four capacity models: 60, 150, 300 and 600 lb, with three base sizes to choose from. There are two indicator models – [the T31P for dry use](#) and [the T31XW for wet applications](#).

**Capacity:** 60 - 600 lb (30 - 300 kg)  
**Readability:** .01 lb – 0.1 lb (.005 kg – .05 kg)  
**Units:** lb, oz, lb:oz, kg, g

## CKW Series

## CKW Series

**Built for applications requiring fast and accurate operation**

The CKW Series all stainless steel construction scale is designed for checkweighing applications requiring fast and accurate operation.

NTEP 1:3,000 resolution, 1:6,000 maximum resolution. NSF listed/certified to NSF/ANSI 169-2005 (formerly NSF C-2) and USDA-AMS accepted to NSF/3-A 14159-1; supports HACCP compliance. Stainless steel IP66 indicator and IP67 load cell.

**Capacity:** 6-60 lb, 3-30 kg

**Readability:** 0.001-0.01 lb, 0.0005-0.005 kg

**Units:** lb, oz, lb:oz, g, kg, %

## Champ Multifunctional Bench Scales

## Champ Multifunctional

**For enhanced weighing, basic parts counting, or basic checkweighing uses**

The Ohaus Champ Multifunctional Bench Scale combines either a CD-33 or CD-31 Ohaus Indicator with the Champ General Purpose Bench Scale Base.

The Champ Multifunctional Bench Scales feature square stainless steel platforms with U.S. NTEP LFT resolutions up to 1:5,000 and the choice of either a CD-31 multifunctional indicator without keypad, or a CD-33 multifunctional indicator with a 11 key numeric keypad.

**Capacity:** 10 kg (25lb) to 250 kg

(500 lb)

**Readability:** 0.0005 kg to 0.01 kg

## Champ Bench Scale Family

### Champ General Purpose Bench Scale

**Designed for strength and durability**

For AC or battery-powered basic weighing or simple parts counting, the Champ General Purpose Bench Scale combines a stainless steel square platform with a painted aluminum or painted steel frame for a durable dry use bench scale system.

The Champ General Purpose Bench Scale matches the popular Ohaus CD-11 indicator with the Champ General Purpose Bench Scale Base and provides U.S. NTEP LFT resolutions up to 1:5,000.

**Capacity:** 10 kg (25lb) to 250 kg (500 lb)

**Readability:** 0.001 kg to 0.02 kg

## Champ Washdown

### Champ Washdown

**For performance in wet conditions**

The Champ Washdown Bench Scale combines the Ohaus CW11 indicator with the Champ Washdown Bench Scale Base.

Offering the same resolution as the Ohaus Champ General Purpose Bench Scales, the Champ Washdown provides either hardwired AC or battery-powered weighing for wet applications.

NTEP 1:5,000 resolution; 1:10,000 - 1:12,500 maximum displayed resolution, all stainless steel construction, with a precise, easy-to-use NEMA 4X/IP65 washdown indicator and loadcell.

**Capacity:** 10 kg (25 lb) to 250 kg (500 lb)

**Readability:** 0.001 kg to 0.02 kg

## Champ II Series

### Champ II

**A rugged, easy-to-use bench scale with basic weighing or parts counting functions**

The Champ II line combines the popular CD-11 indicator with a 304 stainless steel platter and polyurethane painted steel frame. With a U.S. NTEP LFT resolution of up to 1:3,000, the Champ II series features rectangular platforms in 12" X 14", 16" X 20", and 17" X 22". Whether you are weighing in g, kg, lb or oz, the Champ II signifies a value in bench scales.

**Capacity:** 15 kg (30 lb) to 300 kg (600 lb)

**Readability:** 0.002 kg to 0.05 kg

## ES Series

## ES Series

**For light industrial weighing needs**

The Ohaus ES series features easy, two-button operation and battery power in an economical bench scale design. For weighing in kg, lb, oz or lb:oz., the ES series provides a plug-n-play bench scale with stainless steel platform and black painted frame.

**Capacity:** 6 kg (13.2 lb) up to 200 kg (440 lb)

**Readability:** 0.002 kg to 0.1 kg

## SD Series

## SD Series

**Portability, Durability, Ohaus Quality and Value**

The SD Series is a well-built portable bench scale designed specifically with affordability and utility in mind. Ideal for home office, mail room, shipping and receiving, and general commercial and industrial weighing applications, the SD Series features a durable painted steel treaded platform, a remote indicator with two tactile function keys, battery operation and flexible mounting capability.

**Capacity:** 35 kg to 200 kg

**Readability:** 0.02 kg to 0.1 kg
